Call for abstracts

We are currently accepting poster abstracts for consideration.

We encourage students and trainees to submit!

Deadline for submission: July 7, 2017

Posters will be displayed in the main exhibitor area outside of the auditorium. A poster session is scheduled to take place immediately after the lunch break. Go to www.cdc.gov/niosh/respiratory/default.html for symposium details.

Please forward your poster abstract (maximum of 300 words) along with your poster title and authors names to mij2@cdc.gov. Deadline for submission: **July 7, 2017**

Poster Instructions

- Posters must be in English with the text easily readable.
- The posters should include an introduction, conclusion and contact details.
- Poster authors should try to be present during the scheduled poster session.

Poster Size

Posters should be 36 inches x 36 inches (3ft x 3ft) - no larger. This size is mandatory because there will be two posters to each board.

Set-up

- You will receive your board assignment number to hang your poster via email prior to August 10, 2017.
- Registration for the poster session will begin at 7:30am the day of the symposium. Posters must be hung no later than 8:15am.
