

# Save the Date

**Occupational Safety and Health:  
Recognizing Accomplishments and Planning for the Future**

Join us to Celebrate

**NIOSH 50 Years of Occupational Respiratory Disease Research  
and  
WVU 25 Years of Occupational Medicine Residency**

August 10, 2017

8am-4pm

WVU Health Sciences Center, Fukushima Conference Room, Morgantown, WV 26505

The WVU School of Public Health and the NIOSH Respiratory Health Division are coming together to provide a day of reflection on past research and planning for the future. Plenary and poster sessions will be provided along with light refreshments. The WVU School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
