**To:** 'Susan Tarlo'  
**Subject:** Review of NIOSH Document

Dear Dr. Tarlo:

Thank you for your willingness to review the NIOSH document, "Preventing Asthma and Death from MDI Exposure During Spray-on Truck Bed Liner and Related Applications." I am attaching the draft document and a review form to this email. Please send your review directly to me, by email at [wlotz@cdc.gov](mailto:wlotz@cdc.gov), or by regular mail at the address shown below. We would appreciate receiving your comments by March 31, 2005.

NIOSH has also decided to place this document on the web for public comment. For your information, I have attached a copy of that notice, which was announced yesterday in the NIOSH ENews, an electronic publication sent out monthly by the Office of the Director of NIOSH.

We will seriously consider any and all comments received through the web comment process, but your specific review is of particular importance to us in meeting our objectives for careful review by independent subject matter experts. Your review will be handled separately from the comments we receive through the web posting. If you have any questions about this matter, please do not hesitate to contact me by phone at (513) 841-4143, or by email.

Thank you again for your help in our efforts to prevent work-related illness and injury. I look forward to receiving your review.

Sincerely yours,

W. Gregory Lotz, Ph.D.
