

“Everyone seems to have a story.”

[facility name] OR staff speak out about sharps injuries

Communicate with team members when passing sharps.

“I was bleeding ...through my gloves”

“Both of us were moving in different directions...we weren’t looking at each other.”

“I was handing the surgeon a suture for skin closure, and he hooked it back into my hand, needle first...”

“When I moved my hand over... she stuck me in the forearm with the knife.”

“I’ve seen surgeons stick themselves.”
