

# FREE BLACK LUNG SCREENING for ALL COAL MINERS

NIOSH's Mobile Occupational Safety and Health Unit will be in your area soon to conduct black lung screenings. **All coal miners are encouraged to stop by the mobile and participate in this free health exam.** Typically, testing takes about 30 minutes and includes questionnaires, a chest radiograph, a spirometry (breathing) test and blood pressure screening. Although walk-ins are accepted, miners are urged to call 1-888-480-4042 to schedule an appointment. Depending on the number of miners participating, some wait time should be anticipated.

**Participation is FREE and EASY.**  
**Results are CONFIDENTIAL.**
