

# Distribution of Youth (<18 Years) Work-related Injuries and Illnesses Involving Days Away from Work Reported by Private Sector Employers by Industry Sector, United States, 2009

These data are for injuries requiring at least one day away from work. These data do not include youth who work on small farms, youth who work for government agencies, or youth who are self-employed.

N= 4,380

\*1290 in food services and drinking places

Source: Bureau of Labor Statistics' (BLS) Survey of Occupational Injuries and Illnesses. The survey excludes farms with fewer than 11 employees, the self-employed, private household workers, and federal employees. Data from state and local government employees are included in the survey, but not reported above. Data were provided by James Rice of BLS.
