

**NORA**

**Oil and Gas Extraction  
Sector Council**

**April 13–14, 2021  
12 pm–4 pm ET daily**

# SILICA IN THE OILFIELD Summit 2.0 ▶

**A free virtual summit highlighting state-of-the art knowledge on the control of workers' exposures to respirable crystalline silica (RCS) in the oilfield**

- Organized by the [National Occupational Research Agenda \(NORA\) Oil and Gas Extraction Council](#)
- Hosted on Zoom Webinar by the [Colorado School of Public Health Center for Health, Work & Environment](#)
- Agenda topics include:
  - advances in engineering controls and evaluations of their effectiveness
  - OSHA update relevant to upcoming obligations for engineering controls for hydraulic fracturing operations
  - companies' experiences in implementing the hierarchy of controls for RCS

## Silica in the Oilfield Summit 2.0

**Register HERE**

Further information on the summit agenda and speakers can be found on the NORA Oil and Gas Extraction Council [Meetings web page](#).
