BIRMINGHAM, AL 35233

Can we borrow your brain?

What?

The sponsors of Health Action invite you to a meeting of the minds October 27 & 28 at the McWane Center. This working conference will catalyze a transformation in the way public health operates in Jefferson County.

Please join us and other community leaders to review, discuss, and evaluate the current status of public health in our county. With input and support from a variety of organizations, Jefferson County will implement the National Public Health Performance Standards Program. This program provides the blueprint for an integrated public health system *in which you play an important role.*

Why?

Our work over these two days will lead to the creation of a strategic plan that will guide our public health system for the next decade. This plan will improve our ability to protect and promote the health of those we serve.

Lunch and refreshments will be provided. Please let us know if you have special dietary needs.

Space is limited... please make your reservation as soon as possible.

Important!

When?

Thursday, October 27

12pm to 5pm, Reception 5pm

Friday, October 28

8am to 4pm

Participants must commit to attend both days.

Where?

McWane Center

200 19th Street North, Birmingham

Please RSVP to Julie Cobb at 558-2124 or Julie.Cobb@jcdh.org by September 30th.

THANK YOU!

Thank you in advance for giving your time and expertise to this important endeavor. Together we will develop a plan that will benefit the entire Jefferson County population and improve coordination and collaboration among our public health system entities.
