

REDUCING STIGMA SURROUNDING NALOXONE WB4667

PROGRAM DESCRIPTION: This enduring activity educates clinicians on how to communicate with patients about naloxone.

OBJECTIVES:

At the conclusion of the session, the participant should be able to:

1. Describe how to use non-judgmental language when communicating with patients about naloxone.
2. Identify how interprofessional care coordination to support offering naloxone can reduce the risk of opioid overdose.

FACULTY/ CREDENTIALS:

Christina A. Mikosz, MD, MPH, Lead Medical Officer, Division of Overdose Prevention, National Center for Injury Prevention and Control (NCIPC), Centers for Disease Control and Prevention

Molly Dowling, MPH, Health Communications Specialist, Division of Overdose Prevention, National Center for Injury Prevention and Control (NCIPC), Centers for Disease Control and Prevention

ACCREDITATION STATEMENTS:

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME: The Centers for Disease Control and Prevention designates this **enduring** activity for a maximum of **0.25** AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE: The Centers for Disease Control and Prevention designates this activity for **0.25** nursing contact hours.

DISCLOSURE: In compliance with continuing education requirements, all planners and presenters must disclose all financial relationships, in any amount, with ineligible companies during the previous 24 months as well as any use of unlabeled product(s) or products under investigational use.

CDC, our planners, and content experts wish to disclose they have no financial relationship(s) with ineligible companies whose primary business is producing, marketing, selling, reselling, or distributing healthcare products used by or on patients.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept financial or in-kind support from ineligible companies for this continuing education activity.
