

# SIX DOMAINS OF PREPAREDNESS

The **Public Health Emergency Preparedness Program** works to advance six main areas of preparedness so state and local public health systems are better prepared for emergencies that impact the public's health.

## **Community Resilience:**

Preparing for and recovering from emergencies

## **Incident management:**

Coordinating an effective response

## **Information Management:**

Making sure people have information to take action

## **Countermeasures and Mitigation:**

Getting medicines and supplies where they are needed

## **Surge Management:**

Expanding medical services to handle large events

## **Biosurveillance:**

Investigating and identifying health threats
