

CDC's 2022 CLINICAL PRACTICE GUIDELINE FOR PRESCRIBING OPIOIDS FOR PAIN

WB4701R

PROGRAM DESCRIPTION: This enduring activity provides an overview of the Centers for Disease Control and Prevention's 2022 Clinical Practice Guideline for Prescribing Opioids for Pain. This module describes the 2022 Clinical Practice Guideline recommendations intended for clinicians providing pain care, including those prescribing opioids for outpatients with acute, subacute, and chronic pain and how to apply the recommendations as flexible standards of care to enable patient-centered decision-making.

OBJECTIVES:

At the conclusion of the activity, the participant will be able to:

1. Explain the purpose of the 2022 Clinical Practice Guideline
2. Describe the recommendations in the 2022 Clinical Practice Guideline
3. Describe the guiding principles that broadly inform implementation across the recommendations in the 2022 Clinical Practice Guideline
4. Identify interprofessional care coordination strategies that support implementation of the 2022 Clinical Practice Guideline

FACULTY/ CREDENTIALS:

ACCREDITATION STATEMENTS:

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, the Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME: The Centers for Disease Control and Prevention designates this **enduring** activity for a maximum of **1** AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE: The Centers for Disease Control and Prevention designates this activity for **1** nursing contact hours.

CPE is effective as of 01/30/2026: The Centers for Disease Control and Prevention designated this **Knowledge-based** event for pharmacists to receive **0.1** CEUs in pharmacy education. The Universal Activity Number is **JA4008229-0000-26-021-H01-P**.

After credit is claimed, an unofficial statement of credit is immediately available on CDC TRAIN. Official credit will be uploaded within 60 days on the NABP/CPE Monitor.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer **0.1** CEU's for this program.

DISCLOSURE: In compliance with continuing education requirements, all planners and presenters must disclose all financial relationships, in any amount, with ineligible companies during the previous 24 months as well as any use of unlabeled product(s) or products under investigational use.

CDC, our planners, and content experts wish to disclose they have no financial relationship(s) with ineligible companies whose primary business is producing, marketing, selling, reselling, or distributing healthcare products used by or on patients.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept financial or in-kind support from ineligible companies for this continuing education activity. The Centers for Disease Control and Prevention (CDC) complies with applicable Federal civil rights laws and does not discriminate based on race, color, national origin, age, disability, religion, or sex.
