## Table 2: Selected Characteristics of Deaths Requiring Autopsy by State

Table Key: D=discretionary/R=required

Developed by Lisa Caucci of Public Health Law Program and Margaret Warner of National Center for Health Statistics. Analysis was performed in February–May 2013 on laws current as of January 31, 2013. Analysis is based solely on statutory and regulatory language and does not examine application or implementation of the referenced laws. Published January 2015 on the Public Health Law Program's Coroner/Medical Examiner Laws website: <a href="http://www.cdc.gov/phlp/publications/coroner/">http://www.cdc.gov/phlp/publications/coroner/</a>.
