Yes  No

Describe:

Other:

#### **Notes:**

Disclaimer

The printable triage forms option allows the healthcare professional conducting triage duties to record and print information about each patient's influenza-like illness when assigning a PITA acuity level. This form is designed to expedite pandemic influenza triage including the coordination and management of patient care during a severe medical surge and is not intended to take the place of approved forms that already exist or are in use at your healthcare facility. Use of this form does not preclude compliance with HIPAA privacy rule.
