

Presidential Management Fellows (PMF) Program at CDC

Join the Presidential Management Fellows Program, the federal government's premiere pipeline for moving advanced degree graduates into government leadership positions.

CDC's PMF Program provides a fast-paced training opportunity to gain experience, develop your talents, and flourish into a problem solver, strategic thinker, and future leader.

Apply for the 2021 PMF Class

Application Period

September 30-October 14, 2020

Presidential Management Fellows complete a 2-year fellowship that involves:

- Hands-on experience
- Mentorship
- Classroom training
- Seminars and conferences
- Developmental assignments
- Optional rotations

Who can apply?

- Professional or graduate degree (e.g., master's, PhD, JD, MD) recipients or candidates who will meet all advanced degree requirements by August 31st of the following year of the annual application, or
- Individuals who have completed an advanced degree from a qualifying college or university no earlier than two years before the opening date of the PMF Program's annual application announcement.

PMFs have made significant contributions to public health policy, program planning and evaluation, and strategic communications at CDC and across federal agencies
