

56 FY 2014 Special Interest Projects (SIP)

SIP Number	Project Name	Project Site
SIP 14-001	Healthy Brain Initiative Research Network (HBIN) - Coordinating Center	University of Washington
SIP 14-002	Healthy Brain Initiative Network (HBIN)- Collaborating Center	University of Arizona
SIP 14-002	Healthy Brain Initiative Network (HBIN)- Collaborating Center	Oregon Health & Science University
SIP 14-002	Healthy Brain Initiative Network (HBIN)- Collaborating Center	University of Pennsylvania
SIP 14-002	Healthy Brain Initiative Network (HBIN)- Collaborating Center	University of South Carolina
SIP 14-003	Public Health Communications: Culturally Relevant Messages and Strategies to Promote Awareness about Dementia, including Alzheimer's Disease	University of Pennsylvania
SIP 14-004	Promoting Public Health Understanding of Dementia	Case Western Reserve University
SIP 14-005	Evaluating Cost Information about Alzheimer's Disease and Dementia	University of Washington
SIP 14-006	Managing Epilepsy Well (MEW) Network - Coordinating Center	Dartmouth College
SIP 14-007	Managing Epilepsy Well (MEW) Network- Collaborating Center	University of Arizona
SIP 14-007	Managing Epilepsy Well (MEW) Network- Collaborating Center	Morehouse School of Medicine
SIP 14-007	Managing Epilepsy Well (MEW) Network- Collaborating Center	University of Illinois at Chicago
SIP 14-007	Managing Epilepsy Well (MEW) Network- Collaborating Center	University of Minnesota
SIP 14-007	Managing Epilepsy Well (MEW) Network- Collaborating Center	New York University School of Medicine
SIP 14-007	Managing Epilepsy Well (MEW) Network- Collaborating Center	Case Western Reserve University
SIP 14-007	Managing Epilepsy Well (MEW) Network- Collaborating Center	University of Washington

SIP 14-008	Testing new Communication Strategies to Improve Attitudes Toward Epilepsy	Case Western Reserve University
SIP 14-009	Reducing Youth Exposure to Alcohol Marketing	Johns Hopkins University
SIP 14-010	Cancer Prevention and Control Research Network- Coordinating Center	University of North Carolina at Chapel Hill
SIP 14-011	Cancer Prevention and Control Research Network (CPCRN)- Collaborating Center	University of Iowa
SIP 14-011	Cancer Prevention and Control Research Network (CPCRN)- Collaborating Center	University of Kentucky
SIP 14-011	Cancer Prevention and Control Research Network (CPCRN)- Collaborating Center	Case Western Reserve University
SIP 14-011	Cancer Prevention and Control Research Network (CPCRN)- Collaborating Center	Oregon Health & Science University
SIP 14-011	Cancer Prevention and Control Research Network (CPCRN)- Collaborating Center	University of Pennsylvania
SIP 14-011	Cancer Prevention and Control Research Network (CPCRN)- Collaborating Center	University of South Carolina at Columbia
SIP 14-011	Cancer Prevention and Control Research Network (CPCRN)- Collaborating Center	University of Washington
SIP 14-012	Pilot Program of Mailed Fecal Immunochemical Tests to Increase Colorectal Cancer Screen Rates	University of California, San Francisco
SIP 14-013	Understanding the Barriers to Colorectal Cancer Screening among South Central Asian Immigrants in the United States	University of California, San Francisco
SIP 14-013	Understanding the Barriers to Colorectal Cancer Screening among South Central Asian Immigrants in the United States	New York University School of Medicine
SIP 14-014	Development and Evaluation of Active Surveillance Decision aid for Men with Low-grade, Local-state Prostate Cancer	University of Rochester
SIP 14-017	Utilizing Data linkages to Populate Treatment Summaries for Cancer Survivors	University of Kentucky
SIP 14-018	Skin Cancer Prevention: Finding Messages that Work to Reduce Incidental and Intentional UV Exposure	University of Pennsylvania
SIP 14-020	Facilitating the Evaluation of the Processes and Impacts of the State Driven Fall Prevention (SDFP) Project	University of North Carolina at Chapel Hill

SIP 14-021	Global and Territorial Health Research Network (GTHRN) - Coordinating Center	University of Rochester
SIP 14-022	Global and Territorial Health Research Network (GTHRN)- Collaborating Center	Yale University
SIP 14-022	Global and Territorial Health Research Network (GTHRN)- Collaborating Center	University of Illinois at Chicago
SIP 14-023	Progestin Contraception and HIV risk: Clinical and Laboratory Follow-up of a Cohort of HIV-Infected and Uninfected Women	University of Washington
SIP 14-024	Physical Activity Policy Research Network Plus (PAPRN+) - Coordinating Center	Johns Hopkins University
SIP 14-025	Physical Activity Policy Research Network Plus (PAPRN+)- Collaborating Center	University of Arizona
SIP 14-025	Physical Activity Policy Research Network Plus (PAPRN+)- Collaborating Center	University of Illinois at Chicago
SIP 14-025	Physical Activity Policy Research Network Plus (PAPRN+)- Collaborating Center	University of Massachusetts Medical School Worcester
SIP 14-025	Physical Activity Policy Research Network Plus (PAPRN+)- Collaborating Center	University of Rochester
SIP 14-026	Nutrition and Obesity Policy Research and Evaluation Network (NOPREN)- Coordinating Center	University of California, San Francisco
SIP 14-027	Nutrition and Obesity Policy Research and Evaluation Network (NOPREN)- Collaborating Center	University of Illinois at Chicago
SIP 14-027	Nutrition and Obesity Policy Research and Evaluation Network (NOPREN)- Collaborating Center	Johns Hopkins University
SIP 14-027	Nutrition and Obesity Policy Research and Evaluation Network (NOPREN)- Collaborating Center	University of Minnesota
SIP 14-027	Nutrition and Obesity Policy Research and Evaluation Network (NOPREN)- Collaborating Center	University of New Mexico Health Sciences Center
SIP 14-029	Applied Research and Development of Tools to Address Point-of-Sale Tobacco Marketing	University of North Carolina at Chapel Hill
SIP 14-030	Workplace Health Research Network (WHRN)- Coordinating Center	University of North Carolina at Chapel Hill

SIP 14-031	Workplace Health Research Network (WHRN)- Collaborating Centers	University of Illinois at Chicago
SIP 14-031	Workplace Health Research Network (WHRN)- Collaborating Centers	Johns Hopkins University
SIP 14-031	Workplace Health Research Network (WHRN)- Collaborating Centers	University of Minnesota
SIP 14-031	Workplace Health Research Network (WHRN)- Collaborating Centers	New York University School of Medicine
SIP 14-031	Workplace Health Research Network (WHRN)- Collaborating Centers	University of Washington
SIP 14-032	Evaluation of Work-Related Outcomes Effects of the Chronic Disease Self-Management Program (CDSMP)	University of North Carolina at Chapel Hill
SIP 14-034	Prospective Study of Immune Response to Chlamydial Infection to Inform Development of Rational Prevention Strategies	University of Alabama at Birmingham
