

Gina White Mock Case

Gina White is a 24 year old, single female diagnosed with early latent syphilis on April 15, CY at the city STD clinic. She tests negative for HIV, has a RPR 1:16 and reactive FTA. No recollection of any symptoms.

She hangs out at the Gathering Place Bar. Lived with Dave Hill for a few months, then moved in with her friend, Nelson Williams after Dave kicked her out. She claims she is in-between jobs.

In the Original Interview she named 4 contacts (Hal Green, Stan Carter, Dave Hill and Luke Bark) and 2 suspects.
