

PDQIB – AAPPS Opportunities

AAPPS Opportunities

AAPPS Grantee Meeting
June 12, 2014
Atlanta, GA

The mission of PDQIB is to **improve** STD services through guidelines, training, innovation, and program **support**

Making the “Triple Aim” Possible

PDQIB niche within AAPPS

- ❑ **To which sections of AAPPS does the work of the branch most apply?**
 - Implementation- moving from what's on paper to reality
 - Accountability- shared responsibility for efficient use of resources

- ❑ **How could the branch's niche (or "focus") compliment AAPPS grantees' ongoing projects and plans?**

PDQIB as Translation

PDQIB Branch skills and unique assets

□ Program Support

- AAPPS grantees

← Guidelines

- STD clinical care
- STD program operations

← Training

- STD providers
- DIS/ PS staff
- STD program workforce

← Quality Improvement

- Disseminate innovation
- Implement best practices
- Assess impact of branch activities

Guidelines and Implementation

TA expertise and resources:

❑ **Guidelines:**

- Expertise in guideline development

<http://www.cdc.gov/std/treatment/2010/default.htm>

❑ **Improvement and Implementation:**

- QI development and support
- Implementation of social media (GYT), effective interventions

Training

TA expertise and resources

- ❑ **DIS and STD program staff development**
 - <http://www.cdc.gov/std/training/courses.htm>
- ❑ **DIS Training Centers**
- ❑ **Partner Services Provider quickguide**
- ❑ **Support VCAMON- computerized VCA**
- ❑ **Clinical training**
 - web site
 - National Network of Prevention Training Centers (NNPTC)
- ❑ **Billing training (with Policy Office, funded with OPA)**
 - STD-related Reproductive Health Training and TA Centers (former IPP infrastructure)

Program support

TA expertise and resources

❑ **Technical assistance (TA) brokering**

- TA management system
 - CDC provided TA
 - Peer-to-peer TA

❑ **Programmatic advice**

- Budget
- Work plans
- Evaluation plan ideas

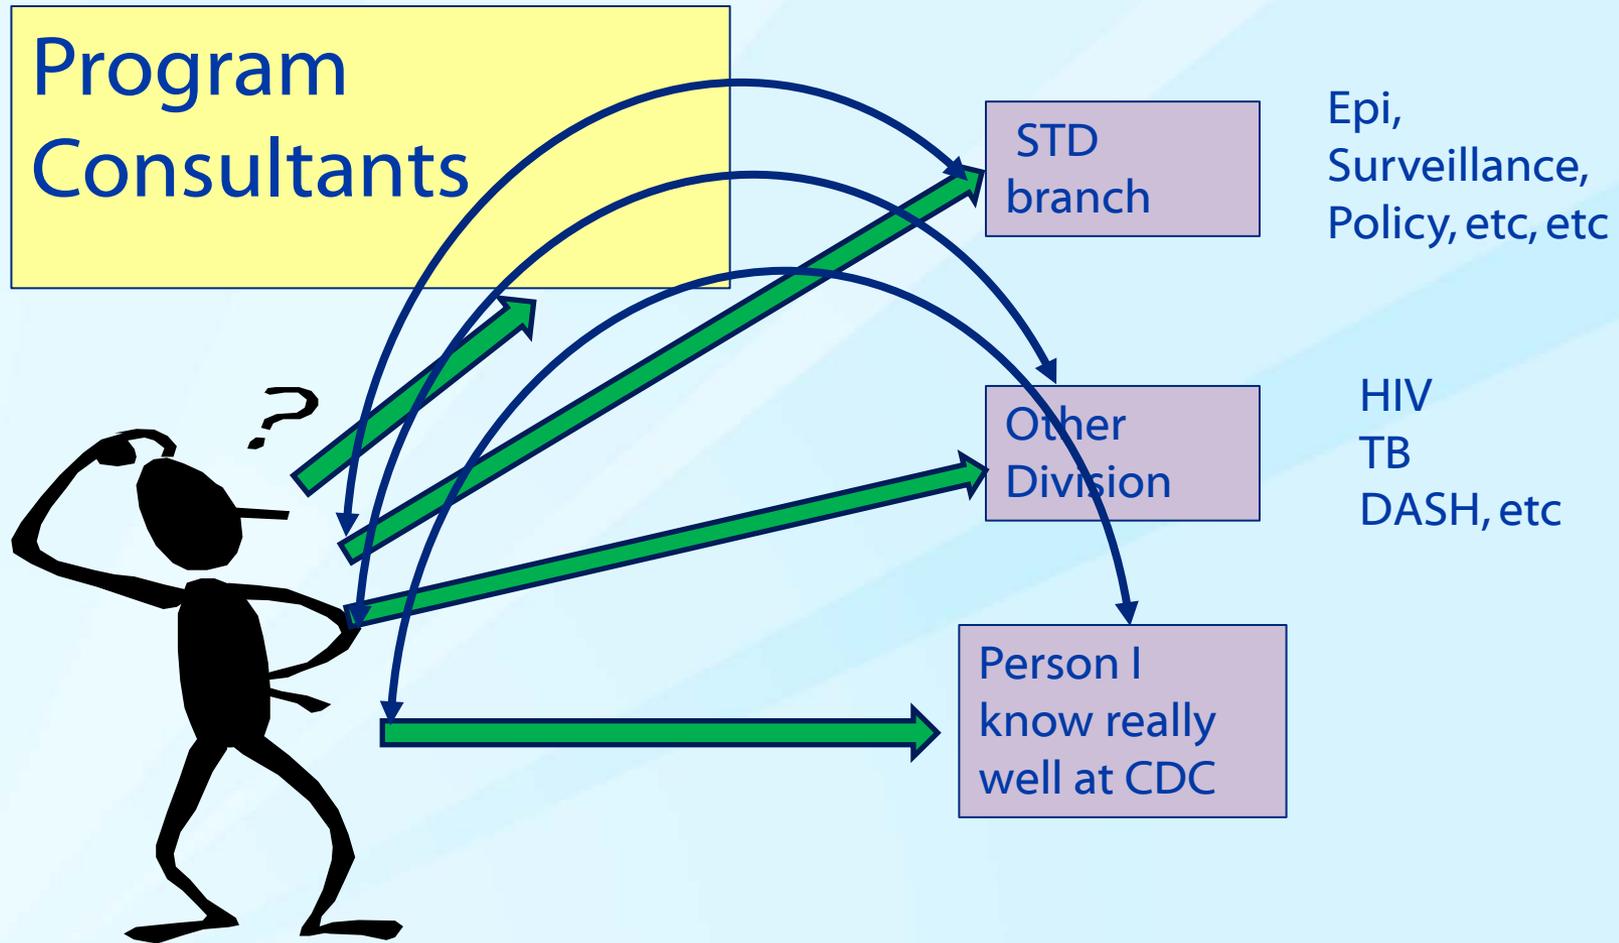

❑ **Translation**

- Federal bureaucrateese to State/local bureaucrateese
- Bureaucrateese to English
- Ivory Tower to real world

Branch suggestions for AAPPS collaboration

- ❑ **Facilitate Awardee Collaboration**
 - Link project areas with similar needs/ideas to each other and to Division resources
- ❑ **Link funded training centers to awardee needs**
- ❑ **Improvement projects:**
 - mentor a multi-site QI project or learning network
- ❑ **Improve CDC processes:**
 - communication, timeliness
 - Alternative ways to organize conference calls or meetings
 - Regional
 - Topic based
 - Site visit planning

How do I Request TA from the CDC?

Lines of communication

CDC Director
Tom Friedan
