

Passport to Partner Services

Training Tied to Your Partner Services Job Function

Offered by the Part III STD/HIV Prevention Training Centers
in conjunction with the Centers for Disease Control and Prevention (CDC)

I. For Medical/Referring Providers Who Refer Patients to Partner Services:

(Free CME, CHES, CNE credits available)

Track A - single online module

Register as new user: www.PSReferral.org

II. For New Partner Services Providers:

Register as new user: www.learnpartnerservices.org

a) Select the combined online PLUS classroom training option, b) indicate you need a PTC Course ID, and c) submit the course interest form. Your Prevention Training Center (PTC) will contact you and match you to a training track and specific classroom training date/location. Supervisors can also initiate registration for multiple trainees.

For these training tracks (B, C, D) you may also call your regional PTC at the number below to initiate registration.

III. More Options:

Register as new user:

www.learnpartnerservices.org, and select the Browse option. This may interest veteran Partner Services Providers wanting refresher training, or those interested primarily in the Disease Concepts content, formerly known as CDC's Employee Development Guide (EDG).

The PTCs will also provide Supervisors of trainees in Tracks B, C, or D with online access to Answer Keys for Scored Quizzes, to allow them to mentor employees enrolled in the in-depth Training Tracks.

Track B: Partner Elicitation and/or Notification primarily for HIV
- 13 sequenced online modules + 3-day classroom training

Track C: Partner Elicitation and/or Notification and Referral for Gonorrhea, Chlamydia, HIV, and Syphilis (excluding case management and VCA)
- 13 sequenced online modules + 3-day classroom training

Track D: Partner Elicitation and/or Notification and Referral for All Diseases, Including Syphilis Case Management and Visual Case Analysis (VCA).
- 14 sequenced online modules (+ optional LOT system)
+ VCA-E3 webinar series +5-day classroom training
