- The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
- This program is a designated event for pharmacists to receive **1.5** Contact Hours in pharmacy education. The Universal Activity Number 0387-9999-13-077-L01-P/0387-9999-13-077-H01-P.
- Course Category: This activity has been designated as Knowledge-Based.

# Learning Objectives

- Discuss clinical significance of the sexual health/clinical issue.
- Describe epidemiological trends related to the sexual health/clinical issue.
- Identify key screening and treatment recommendations for management of the sexual health/clinical issue, in accordance with CDC 2010 STD Treatment Guidelines.
- Promote health improvement, wellness, and disease prevention in cooperation with patients, communities, at-risk populations, and other members of an interprofessional team of health care providers.

# Webinar Overview

This live webinar is for clinicians who provide care for military populations. The webinar will begin with an overview of the epidemiology of STDs followed by a discussion of the critical diagnostic and management challenges for specific STDs of concern for this population. The webinar will discuss programming designed for maintaining and improving the sexual health of men and women serving in the military. The webinar will conclude with a live question and answer session.
