What is Groupsite?

The screenshot shows the Groupsite.com website. At the top, there is a navigation bar with links for 'About', 'Support', 'Groupsite Directory', and 'Login'. Below this is a secondary navigation bar with 'Tour', 'Features', 'Mobile', 'Uses', 'Pricing', and 'Blog'. The main header features the 'Groupsite Directory' logo and a tagline: 'Discover public Groupsites that you can visit and join.' A prominent orange button says 'Try Now! 30 DAY FREE TRIAL >'. The main content area is titled 'All Categories: Most Members' and shows a list of public groupsites. A featured groupsite is highlighted with a grid of member photos and details: 'BDPA', 'BDPA or BETE: Advancing IT Careers from the Classroom to the Boardroom', 'Primary: Professional', 'Category: Science / Technology', and 'Members: 3,052'. A sidebar on the left lists various categories like 'Business / Finance', 'Computers / Internet', etc. On the right, there are buttons for 'Chat', 'Pinboard', and 'To Do'.
