Breathe Pennsylvania and the University of Pittsburgh School of Nursing are collaborating to present the 2021 Breathe PA Tuberculosis Education Conference. Nurses participating in the conference and completing the evaluation tool will receive a maximum of 3.00 continuing nursing education contact hours. The University of Pittsburgh School of Nursing is an accredited provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. Respiratory Therapists participating in the conference and completing the evaluation tool will receive 3.00 continuing education contact hours through the American Association of Respiratory Care. No partial credit is available to attendees.
