

Acknowledgments

This report was prepared by the U.S. Department of Health and Human Services under the general direction of the Centers for Disease Control and Prevention, National Center for Chronic Disease Prevention and Health Promotion, Office on Smoking and Health.

Jeffrey P. Koplan, M.D., M.P.H., Director, Centers for Disease Control and Prevention, Atlanta, Georgia.

James S. Marks, M.D., M.P.H., Director, National Center for Chronic Disease Prevention and Health Promotion, Centers for Disease Control and Prevention, Atlanta, Georgia.

Michael P. Eriksen, Sc.D., Director, Office on Smoking and Health, National Center for Chronic Disease Prevention and Health Promotion, Centers for Disease Control and Prevention, Atlanta, Georgia.

The editors of the report were

Richard B. Rothenberg, M.D., M.P.H., Senior Scientific Editor, Professor, Department of Family and Preventive Medicine, Emory University School of Medicine, Atlanta, Georgia.

Terry F. Pechacek, Ph.D., Associate Scientific Editor, Associate Director for Science, Office on Smoking and Health, National Center for Chronic Disease Prevention and Health Promotion, Centers for Disease Control and Prevention, Atlanta, Georgia.

Frank J. Chaloupka, IV, Ph.D., Consulting Scientific Editor, Professor, Department of Economics, University of Illinois, Chicago, Illinois.

Michael C. Fiore, M.D., M.P.H., Consulting Editor, Professor, Department of Medicine, and Director, Center for Tobacco Research and Intervention, University of Wisconsin Medical School, Madison, Wisconsin.

Gayle Lloyd, M.A., Managing Editor, Office on Smoking and Health, National Center for Chronic Disease Prevention and Health Promotion, Centers for Disease Control and Prevention, Atlanta, Georgia.

Frederick L. Hull, Ph.D., Technical Editor, Technical Information and Editorial Services Branch, National Center for Chronic Disease Prevention and Health Promotion, Centers for Disease Control and Prevention, Atlanta, Georgia.

Contributing authors were

Timothy B. Baker, Ph.D., Professor of Psychology, Associate Director, Center for Tobacco Research and Intervention, University of Wisconsin Medical School, Madison, Wisconsin.

Michele Bloch, M.D., Ph.D., Health Policy Consultant, Rockville, Maryland.

Ross C. Brownson, Ph.D., Professor and Chair, Department of Community Health, School of Public Health, Saint Louis University, St. Louis, Missouri.

Frank J. Chaloupka, IV, Ph.D., Professor, Department of Economics, University of Illinois, Chicago, Illinois.

Patricia Davidson, J.D., Staff Attorney, Tobacco Control Resource Center, Boston, Massachusetts.

Richard A. Daynard, J.D., Ph.D., Chair, Tobacco Products Liability Project, and Professor, Northeastern University School of Law, Boston, Massachusetts.

Clifford E. Douglas, J.D., President, Tobacco Control Law and Policy Consulting, Ann Arbor, Michigan.

Brian S. Flynn, Sc.D., Professor and Director, Office of Health Promotion Research, College of Medicine, University of Vermont, Burlington, Vermont.

Jean L. Forster, Ph.D., M.P.H., Associate Professor, Division of Epidemiology, School of Public Health, University of Minnesota, Minneapolis, Minnesota.

Marc Galanter, J.D., John and Rylla Bosshard Professor of Law, University of Wisconsin Law School, Madison, Wisconsin.

Lawrence O. Gostin, J.D., Professor of Law, Georgetown University Law Center, and Co-Director, Georgetown/Johns Hopkins Program on Law and Public Health, Washington, D.C.

Mark Gottlieb, J.D., Staff Attorney, Tobacco Control Resource Center, Boston, Massachusetts.

Douglas E. Jorenby, Ph.D., Assistant Professor, Center for Tobacco Research and Intervention, University of Wisconsin Medical School, Madison, Wisconsin.

Graham Kelder, J.D., Managing Attorney, Tobacco Control Resource Center, Boston, Massachusetts.

Robert Kline, J.D., Staff Attorney, Tobacco Control Resource Center, Boston, Massachusetts.

Jeff McKenna, M.S., Chief, Health Communications Branch, Office on Smoking and Health, National Center for Chronic Disease Prevention and Health Promotion, Centers for Disease Control and Prevention, Atlanta, Georgia.

Thomas M. Piasecki, M.S., Research Associate, Center for Tobacco Research and Intervention, University of Wisconsin Medical School, Madison, Wisconsin.

Raymond Porfiri, J.D., Staff Attorney, Tobacco Control Resource Center, Boston, Massachusetts.

Michael Schudson, Ph.D., Professor, Department of Communication, University of California, San Diego, La Jolla, California.

Donald Sharp, M.D., Medical Officer, Office on Smoking and Health, National Center for Chronic Disease Prevention and Health Promotion, Centers for Disease Control and Prevention, Atlanta, Georgia.

John Slade, M.D., Professor, New Jersey School of Public Health, University of Medicine and Dentistry of New Jersey, New Brunswick, New Jersey.

David T. Sweanor, LL.B., Senior Legal Counsel, Non-Smokers' Rights Association, Ottawa, Ontario, Canada.

Edward L. Sweda, Jr., J.D., Senior Attorney, Tobacco Control Resource Center, Boston, Massachusetts.

Gerald J. Thain, J.D., Consumer Law Professor, University of Wisconsin Law School, Madison, Wisconsin.

David W. Wetter, Ph.D., Assistant Professor, M.D. Anderson Cancer Center, University of Texas, Houston, Texas.

John K. Worden, Ph.D., Research Professor, Office of Health Promotion Research, College of Medicine, University of Vermont, Burlington, Vermont.

Reviewers were

David G. Altman, Ph.D., Professor, Department of Public Health Sciences, Wake Forest University School of Medicine, Winston-Salem, North Carolina.

Dileep G. Bal, M.D., Chief, Cancer Control Branch, California Department of Health Services, Sacramento, California.

Scott D. Ballin, J.D., Vice President and Legislative Counsel, Office of Public Affairs, American Heart Association, Washington, D.C.

Glen Bennett, M.P.H., Coordinator, Advanced Technologies Applications in Health Education Programs, Office of Prevention, Education, and Control, National Heart, Lung, and Blood Institute, National Institutes of Health, Bethesda, Maryland.

Neil Bracht, M.A., M.P.H., Professor Emeritus, School of Social Work and School of Public Health, University of Minnesota, Minneapolis, Minnesota.

Allan M. Brandt, Ph.D., Professor Emeritus, Department of Social Medicine, Harvard Medical School, Boston, Massachusetts.

Jesse W. Brown, Jr., M. Div., President, National Association of African Americans for Positive Imagery, Philadelphia, Pennsylvania.

John C. Burnham, Ph.D., Professor of History and Professor of Psychiatry, Ohio State University, Columbus, Ohio.

David M. Burns, M.D., Professor of Medicine, Department of Medicine, University of California, San Diego, California.

Joseph A. Califano, Jr., President and Chairman, The National Center on Addiction and Substance Abuse, Columbia University, New York, New York.

Julia Carol, Co-Director, Americans for Nonsmokers' Rights, Berkeley, California.

Nelba Chavez, Ph.D., Administrator, Substance Abuse and Mental Health Services Administration, Rockville, Maryland.

Moon S. Chen, Jr., Ph.D., M.P.H., Professor and Chair, Division of Health Behavior and Health Promotion, School of Public Health, Ohio State University, and Editor-in-Chief, *Asian American and Pacific Islander Journal of Health*, Columbus, Ohio.

Gregory Connolly, D.M.D., M.P.H., Director, Massachusetts Tobacco Control Program, Massachusetts Department of Public Health, Boston, Massachusetts.

Reducing Tobacco Use

Chapter 1. Issues in Reducing Tobacco Use, Summary, and Conclusions 3

Introduction 5
Summary and Implications 12
Chapter Conclusions 22
References 25

Chapter 2. A Historical Review of Efforts to Reduce Smoking in the United States 27

Introduction 29
Early Events 29
The Rise of the Cigarette 30
Medical Warnings 38
Turning Point: The Surgeon General's Report 40
The Diverse Momentum of the Movement to Reduce Smoking 43
From Antismoking to Nonsmokers' Rights 46
The Impact of the Movement to Reduce Smoking 48
Conclusions 51
References 52

Chapter 3. Effective Educational Strategies to Prevent Tobacco Use Among Young People 59

Introduction 61
Recent Research on Educational Strategies for Smoking Prevention 64
Diffusing Programs to Prevent Tobacco Use 80
Conclusions 85
References 86

Chapter 4. Management of Nicotine Addiction 95

Introduction 97
Methods for Managing Nicotine Addiction 100
Contemporary Issues in Research on Tobacco Addiction 128
Conclusions 134
References 135

Chapter 5. Regulatory Efforts 157

Introduction 159
Advertising and Promotion 161
Product Regulation 178
Clean Indoor Air Regulation 193
Minors' Access to Tobacco 207
Litigation Approaches 223
Conclusions 260
References 262

Chapter 6. Economic Approaches 293

Introduction 295
Supply of Tobacco and Tobacco Products 295
Effect of Price on Demand for Tobacco Products 322
Taxation of Tobacco Products 337
Conclusions 359
References 360

Chapter 7. Comprehensive Programs 371

Introduction 373
Conceptual Frameworks 373
Description of Comprehensive Programs 374
Community Intervention Trials 376
Statewide Interventions 382
Components of Community Programs 403
Summary 416
Conclusions 417
References 418

Chapter 8. A Vision for the Future—Reducing Tobacco Use in the New Millennium 431

Introduction 433
Continuing to Build the Scientific Base 433
The Changing Tobacco Industry 434
The Need for a Comprehensive Approach 435
Identifying and Eliminating Disparities 436
Improving the Dissemination of State-of-the-Art Interventions 436
Tobacco Use in Developing Nations 437
Tobacco Control in the New Millennium 438
