LINTRO1

/ASK ALL/

INTERVIEWER: PLEASE READ SLOWLY AND DISTINCTLY

L1. Hello, my name is [NAME FILL]. I'm calling for the CDC, the Centers for Disease Control and Prevention. The CDC is a federal agency charged with protecting and improving the public's health. We're gathering information on health and tobacco from selected people across the United States. Your phone number has been chosen randomly from a list of all telephone numbers in the US.

Are you a member of this household and at least 18 years old?

1. YES → CONTINUE
2. NO, TOO BUSY, NOT A GOOD TIME, OR REQUESTS APPOINTMENT → CALLBACK OR APPOINTMENT

LPHONEUSE

/ASK IF L1 LINTRO1 EQ 1/

L2. Is this phone number used for...

1. Home use
2. Home and business use, or
3. Business use only → THANK AND END CALL

Additional Information:

TRAINING: Don't Know/Not sure and Refused are not allowed. If the person answering the phone doesn't know the answers to the questions, attempt to get someone else to the phone and re-read the introductory text. If no one is available, schedule a callback. If the person answering the phone refuses to answer these questions or breaks off a call, code the Screener as a Refusal or other appropriate disposition. This is true throughout the Screener.

Home use includes a phone which serves a house, apartment, or condominium. If the phone serves a residence such as barracks, dorm, or nursing home, code as business use only.
LNOADULT

[USE 76 FOR 76 OR MORE PEOPLE]

L3. The CDC uses the data collected by this study to develop more effective public health programs. Your household’s participation is voluntary and important to the success of this study.

First, I need to randomly select one adult who lives in your household to be interviewed. Including yourself, how many adults age 18 and older currently live in this household? Please do not include students living away at school.

[IF NEEDED: Include adults who think of this household as their primary place of residence. Include adults who usually stay in the household but are temporarily away on business, vacation, or in a hospital.]

NUMBER OF ADULTS → IF L3 LNOADULT=1 OR (L3 LNOADULT EQ 2 AND RESPONDENT ON PHONE IS SELECTED), GO TO L4 LSELADULT1; ELSE IF L3 LNOADULT=2 AND RESPONDENT ON PHONE IS NOT SELECTED; ELSE IF L3 LNOADULT > 2 AND RESPONDENT ON PHONE IS NOT SELECTED, GO TO L6 LSELADULT3
LSELADULT1

/ASK IF L3 LNOADULT=1 OR (LNOADULT=2 AND RESPONDENT ON PHONE IS SELECTED)/

L4. You have been selected to participate in this interview. Please tell me just your first name.

[IF FIRST NAME REFUSED OR DON’T KNOW, ASK FOR INITIALS, AGE/SEX, RELATION OR OTHER IDENTIFYING INFORMATION.]

[PROBE: We need some way to ask for you if we need to call back.]

______________ FIRST NAME OR OTHER IDENTIFIER

IF SELECTED RESPONDENT PROVIDES IDENTIFIER, CONTINUE WITH:

We’re gathering information on health and tobacco from selected people across the United States. Your phone number has been chosen randomly from a list of all telephone numbers in the U.S.

You don’t have to answer any question you don’t want to, and you can end the interview at any time. I won’t ask for your full name, address, or other personal information that can identify you.

The interview takes about 15 to 25 minutes to complete, depending on your situation.

There are no known risks to you for taking part in this interview. There are no direct benefits to you for taking part in this interview, but your answers are important and will help the CDC better understand health issues and plan health programs. Your answers will be maintained in a secure manner. Any information that might identify you, such as your telephone number, will never be linked to your answers and will not appear in any written reports or publications.

If you have any questions about this survey, I will provide a telephone number for you to call to get more information.

This call may be monitored for quality assurance.

### Other Tobacco Products

**CIGARPAST**

Rationale: To monitor use of non-cigarette combustible tobacco products.

/ASK ALL/

21. The next questions ask about tobacco products that you might smoke other than cigarettes, specifically cigars, cigarillos and little filtered cigars. “Cigarillos” are medium cigars that sometimes are sold with plastic or wooden tips. Some common brands are Black and Mild’s, Swisher Sweets, Dutch Masters and Phillies Blunts. Cigarillos are usually sold individually or in packs of 5 or 8. In contrast, little filtered cigars look like cigarettes and are usually brown in color. Like cigarettes, little filtered cigars have a spongy filter and are sold in packs of 20. Some common brands are Prime Time and Winchester little filtered cigars.
