

CDC Fiscal Year 2016 Funding Profile for American Indian and Alaska Native Tribes and Tribal Organizations

Office for State, Tribal, Local and Territorial Support
Centers for Disease Control and Prevention

March 2017

About the Funding Profile Data

- Includes funding the Centers for Disease Control and Prevention/Agency for Toxic Substances and Disease Registry
 - Obligated and provided to tribes and tribal organizations as primary grantees through cooperative agreements and grants in fiscal year (FY) 2016 (October 1, 2015–September 30, 2016)*
 - Provided to tribal epidemiology centers through an interagency agreement with the Indian Health Service
 - Awarded to American Indian/Alaska Native (AI/AN) tribes or tribal organizations through contracts

* “Obligated” refers to new funding only (any funding carried over from a previous fiscal year is not included)

About the Funding Profile Data

- Excludes
 - The value of vaccines purchased by CDC and delivered through the Vaccines for Children program
 - Any funds transferred to CDC/ATSDR from other federal agencies or entities (i.e., funds that are not part of CDC/ATSDR's appropriations)
