

CDC Fiscal Year 2018: Funding Profile for American Indian and Alaska Native Tribes and Tribal Organizations

Center for State, Tribal, Local, and Territorial Support
Centers for Disease Control and Prevention

February 2019

About the Funding Profile Data

- Includes funding for the Centers for Disease Control and Prevention (CDC) and the Agency for Toxic Substances and Disease Registry (ATSDR)
 - Obligated* and provided to tribes and tribal organizations as primary grantees through cooperative agreements and grants in fiscal year (FY) 2018 (October 1, 2017–September 30, 2018)
 - Awarded to American Indian/Alaska Native (AI/AN) tribes or tribal organizations through contracts
- *Obligated refers to new funding only (no funding carried over from a previous FY is included)

About the Funding Profile Data (cont.)

- Excludes
 - The value of vaccines purchased by CDC and delivered through the Vaccines for Children program
 - Any funds transferred to CDC or ATSDR from other federal agencies or entities (i.e., funds that are not part of CDC/ATSDR's appropriations)
