Dear Tribal Leader:

Thank you for your interest in the Tribal Advisory Committee (TAC) Meeting and 10th Biannual Tribal Consultation Session that were planned for August 12–13, 2013, in Atlanta, Georgia.

I want to notify you of our need to postpone the Tribal Advisory Committee (TAC) Meeting and 10th Biannual Tribal Consultation Session planned for August 12–13, 2013, in Atlanta, Georgia. The CDC/ATSDR Tribal Consultation Policy is still under review by CDC/ATSDR and Department of Health and Human Services. This review process is taking longer than anticipated, and we want to present a complete revised policy at the next meeting to ensure a highly productive discussion. We apologize for this inconvenience.

We anticipate rescheduling for fall 2013. The dates will be announced as soon as they are determined.

For further details about tribal consultation, the TAC, and tribal support activities at CDC, please contact me at judymonroe@cdc.gov or at (404) 498-0300.

Thank you for your patience with this matter and for your continued commitment to addressing the public health issues affecting your communities.

Sincerely,

A handwritten signature in blue ink that reads "Judy Monroe".
