Meningococcal Vaccines Session

David S. Stephens, MD
Chair, Meningococcal Work Group

Advisory Committee on Immunization Practices
October 25, 2018
Meningococcal Work Group Terms of Reference

- **Policy Questions:**
  - MenB vaccine booster doses for persons aged ≥10 years at increased risk for meningococcal disease.
  - MenB vaccination in children aged <10 years at increased risk for meningococcal disease (upon licensure of MenB vaccines in this age group)

- **Activities:**
  - Review available safety, immunogenicity, persistence of antibody protection, and effectiveness data for MenB, MenACWY, and future MenABCWY vaccines.
  - Develop an updated meningococcal vaccines ACIP Recommendation and Report.
  - Review the epidemiology of meningococcal disease and identify areas in need of further research to inform potential future vaccine recommendations.
Meningococcal Work Group Activities

- Reviewing newly available data for MenB vaccines.
  - Antibody persistence and response to a booster dose
  - Safety and immunogenicity of MenB vaccines in children aged <10 years

- Reviewing and grading evidence for booster doses of MenB vaccines for persons at increased risk
Upcoming Activities

- MenB vaccine booster dose:
  - February 2019: Review of data and GRADE evaluation
  - June 2019: Full session on MenB booster dose in persons aged ≥10 years at increased risk for meningococcal disease

- Mid-2019: Publication of consolidated ACIP Recommendation and Report on Meningococcal Vaccines (MenACWY and MenB)
Work Group Members

ACIP Members
- David Stephens (Chair)
- Kelly Moore
- Hank Bernstein

Ex Officio Members
- Lucia Lee (FDA)
- Anuja Rastogi (FDA)
- Tonya Rans (DOD)

CDC Work Group Lead
- Sarah Mbaeyi (CDC/NCIRD)

Liaison Representatives
- Nina Ahmad (AAFP)
- Carol Baker (IDSA)
- Susan Even (ACHA)
- Rachel Herlihy (IAC)
- Nneka Holder (SAHM)
- Martin Luta (CSTE)
- Ruth Lynfield (AAP)
- Paul McKinney (APTR)
- William Schaffner (NFID)

Consultants
- Mike Brady
- Shalini Desai
- Kathleen Harriman
- Mary Healy
- Cody Meissner
- Paul Offit
- Georges Peter
- Lorry Rubin
