Immunization: You Call the Shots

Modules
- Understanding the Basics: General Recommendations on Immunization
- Diphtheria, Tetanus, and Pertussis
- Polio
- Haemophilus influenzae type b (Hib)
- Influenza
- Hepatitis A

Description
You Call the Shots is an interactive, web-based immunization training course. It consists of a series of modules that discuss vaccine-preventable diseases and explain the latest recommendations for vaccine use. Each module provides learning opportunities, self-test practice questions, reference and resource materials, and an extensive glossary.

The course is available free of charge on the CDC Vaccines and Immunizations website at: www.cdc.gov/vaccines/ed/youcalltheshots.htm.

Audience
The course is intended for nurses, nursing students, medical assistants, pharmacists, and other health professionals who provide immunizations.

Questions or comments about the course may be e-mailed to nipinfo@cdc.gov.

Immunization: You Call the Shots was developed through a Cooperative Agreement between the Centers for Disease Control and Prevention (CDC) and the Association for Prevention Teaching and Research (APTR).
