To receive continuing education (CE)

In order to receive continuing education (CE) for WB4458R General Best Practice Guidelines for Immunization—2021, please visit TCEO at www.cdc.gov/getCE and follow the 9 Simple Steps by 4/21/2025.

NOTE—You must pass the posttest at 80%. There are only 2 attempts allowed.

If you have any questions or problems, contact CDC/ATSDR Training and Continuing Education Online via email at ce@cdc.gov. You may also contact the CE Coordinator at NCIRD, Melissa Barnett at MBarnett2@cdc.gov

PROGRAM DESCRIPTION: The General Best Practice Guidelines for Immunization publication is intended for clinicians and other health care providers who vaccinate patients in varied settings, including hospitals, provider offices, pharmacies, schools, community health centers, and public health clinics. The field of immunization is marked by constant change, including licensing of new vaccines, new vaccination recommendations, and new findings of how vaccines work and their adverse events. General Best Practice Guidelines for Immunization provides clinicians and other health care providers with ACIP’s best practices guidance on immunization.

OBJECTIVES:
At the conclusion of the session, the participant will be able to:
Identify valid contraindications for commonly used vaccines.
Describe the minimum intervals between doses for vaccines routinely used in the United States.
Describe methods for preventing and managing adverse reactions.
Describe recommended practices for administration of vaccines.
Describe proper storage and handling procedures for immunobiologics.
Identify evidence-based interventions shown to improve vaccination rates among children.
Locate current immunization resources to increase knowledge of team’s role in program implementation for improved team performance.
Implement disease detection and prevention health care services (e.g., smoking cessation, weight reduction, diabetes screening, blood pressure screening, immunization services) to prevent health problems and maintain health.

FACULTY/CREDENTIALS:
Lynn Bahta, B.S.N., M.P.H., C.P.H., Immunization Clinical Consultant, Minnesota Department of Health
Andrew Kroger, MD, MPH, Medical Officer, CDC/NCIRD
Sarah S. Long, MD, Professor of Pediatrics, Drexel university College of Medicine
Pablo J. Sánchez, MD, Professor of Pediatrics, Nationwide Children’s Hospital, The Ohio State University College of Medicine

ORIGINATION DATE: 4/21/2021
EXPIRATION DATE: 4/21/2025

URL: https://www.cdc.gov/vaccines/hcp/acip-recs/general-recs/index.html

HARDWARE/SOFTWARE: Computer Hardware; Internet connection; Browser
MATERIALS: Internet connection, computer, and telephone line

TARGET AUDIENCE: Administrators, CHES certified health educators, Physicians, Epidemiologists, LPNs, LVNs, Medical assistants, medical students, NPs, nurse technicians, other health educators, Pharmacists, PAs, program managers RNs

PREREQUISITES: Participants should have a basic educational background in science including general knowledge in the subject areas of biology, immunization, and vaccine-preventable diseases.

FORMAT: This course is Enduring material.
ACCREDITATION STATEMENTS:

In support of improving patient care, The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME: The Centers for Disease Control and Prevention designates this Enduring activity for a maximum of 3.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE: The Centers for Disease Control and Prevention designates this activity for 3.5 nursing contact hours.

CPE: The Centers for Disease Control and Prevention designated this knowledge-based event for pharmacists to receive .35 CEUs (3.5 contact hours) in pharmacy education. The Universal Activity Number is JA4008229-0000-23-007-H06-P.

Once credit is claimed, an unofficial statement of credit is immediately available on TCEOnline. Official credit will be uploaded within 60 days on the NABP/CPE Monitor.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer 0.35 CEU's for this program.

CECH: Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES®) and/or Master Certified Health Education Specialists (MCHES®) to receive up to 3.5 total Category I continuing education contact hours. Maximum advanced level continuing education contact hours available are 3.5. Continuing Competency credits available are 3.5. CDC provider number 98614.

For Certified Public Health Professionals (CPH)
The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer 3 CPH recertification credits for this program.

DISCLOSURE: In compliance with continuing education requirements, all planners and presenters must disclose all financial relationships, in any amount, with ineligible companies during the previous 24 months as well as any use of unlabeled product(s) or products under investigational use.

CDC, our planners, and content experts, wish to disclose they have no financial relationship(s) with ineligible companies whose primary business is producing, marketing, selling, reselling, or distributing healthcare products used by or on patients.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use with the exception of the content experts’ discussion of DTaP, DTaP-HepB-IPV, DTaP-IPV/Hib, HepA, HepB, Hib, HPV, RZV, IIV, IPV, MMR, PCV13, PPSV23, Tdap, Var, and YF. The content experts will discuss the use of DTaP, DTaP-HepB-IPV, DTaP-IPV/Hib, HepA, HepB, Hib, HPV, RZV, IIV, IPV, MMR, PCV13, PPSV23, Tdap, Var, and YF vaccines in a manner recommended by the Advisory Committee on Immunization Practices, but not approved by the Food and Drug Administration.

CDC did not accept financial or in-kind support from ineligible companies for this continuing education activity.

FEES: No fees are charged for CDC’s CE activities.
