

**CE Instructions for
WD2910: Routinely Recommending Cancer Prevention:
HPV Vaccination at 11 and 12 as Standard of Care (Enduring)
(Credit expires 1/15/2022)**

To receive continuing education (CE)

In order to receive continuing education (CE) for WD2910 *Routinely Recommending Cancer Prevention: HPV Vaccination at 11 and 12 as Standard of Care (Enduring)*, please visit TCEO at www.cdc.gov/getCE and follow the 9 Simple Steps by 1/15/2022.

If you have any questions or problems, contact CDC/ATSDR Training and Continuing Education Online at 1-800-41TRAIN or email ce@cdc.gov. You may also contact the CE Coordinator at NCIRD, Melissa Barnett at MBarnett2@cdc.gov

PROGRAM DESCRIPTION: HPV vaccination coverage continues to lag behind coverage for the other vaccines routinely recommended for adolescents. Clinicians remain the top influencer in parental acceptance of the HPV vaccine recommendation. This course focuses on educating pediatricians about the value of the HPV vaccination in protecting their patient from HPV cancers, as well as equipping them with the skills and resources they need to make effective HPV vaccine recommendations. The course will cover frequently asked clinician questions about vaccine hesitancy, answering parents questions, HPV vaccine safety and effectiveness, ways to increase HPV vaccination rates, and the updated two-dose HPV vaccination schedule for younger adolescents.

OBJECTIVES: At the conclusion of the session, the participant will be able to:

List the indications for HPV vaccination.

Identify the CDC recommended immunization schedule for HPV vaccine based on patient age.

Describe the key elements of providing effective recommendations for HPV vaccination.

Identify reassuring, confident, and concise responses to parental questions about HPV vaccination.

Implement disease detection and prevention health care services (e.g., smoking cessation, weight reduction, diabetes screening, blood pressure screening, immunization services) to prevent health problems and maintain health.

FACULTY/CREDENTIALS:

Alix Casler, MD, FAAP, Chief of Pediatrics and Medical Director of Pediatric Quality, Orlando Family Physician Association/ Assistant Clinical Professor, Florida State University College of Medicine, University of Central Florida College of Medicine

Linda Fu, MD, MS, Director of Academic Development, Goldberg Center for Community Pediatric Health, Children's National Health System

Tommy Schechtman, MD, MSPH, FAAP, Pediatrician, Pediatric Partners

Wendy Sue Swanson, MD, MBE, Pediatrician, Chief of Digital Innovation, Seattle Children's Hospital

Melinda Wharton, MD, MPH, CDC, National Center on Immunization and Respiratory Diseases

ORIGINATION DATE: 1/15/2018

RENEWAL DATE: 1/15/2020

EXPIRATION DATE: 1/15/2022

HARDWARE/SOFTWARE: Computer Hardware; Internet connection; Browser; **MATERIALS:** None

TARGET AUDIENCE: Administrators, CHES certified health educators, Physicians, Epidemiologists, LPNs, LVNs, Medical assistants, medical students, NPs, nurse technicians, other health educators, Pharmacists, PAs, program managers RNs

PREREQUISITES: Participants should have a basic educational background in science including general knowledge in the subject areas of biology, immunization and vaccine-preventable diseases.

FORMAT: This course is Enduring material.

ACCREDITATION STATEMENTS:

CME: The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

The Centers for Disease Control and Prevention designates this Enduring material for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE: The Centers for Disease Control and Prevention is accredited as a provider of Continuing Nursing Education by the American Nurses Credentialing Center's Commission on Accreditation. This activity provides 1 contact hours.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer .1 CEU's for this program.

CECH: Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES) and/or Master Certified Health Education Specialists (MCHES) to receive up to 1 total Category I continuing education contact hours. Maximum advanced level continuing education contact hours available are 0. CDC provider number 98614.

CPE: The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This program is a designated event for pharmacists to receive 1 Contact Hours in pharmacy education. The Universal Activity Number is JA4008229-0000-20-123-H04-P.

Category: This activity has been designated as knowledge-based.

Once credit is claimed, an unofficial statement of credit is immediately available on TCEOnline. Official credit will be uploaded within 60 days on the NABP/CPE Monitor.

For Certified Public Health Professionals (CPH)

The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer 1 CPH recertification credits for this program.

DISCLOSURE: In compliance with continuing education requirements, all presenters must disclose any financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, our presenters, and their spouses/partners wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters with the exception of Dr. Casler, who wishes to disclose their position as a Consultant and member of the Speaker's Bureau for the Merck Vaccine Division.

Planning committee discussed conflict of interest with Dr. Casler to ensure there is no bias.

Presentations will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept commercial support for this continuing education activity.

FEES: No fees are charged for CDC's CE activities.
