"I have too much to do to risk getting sick, so I’m getting vaccinated."

Every year, thousands of adults in America suffer serious health problems from diseases they could be vaccinated against like shingles, whooping cough, hepatitis A and B, flu, and pneumococcal disease. Some even die.

Talk with your healthcare professional about which vaccines are recommended to protect you and your loved ones.

Learn more at cdc.gov/vaccines/adults or call 1-800-CDC-INFO (1-800-232-4636).
