“My dad got shingles, my wife got whooping cough, that’s why I’m getting the vaccines I need.”

Every year, thousands of adults in America suffer serious health problems from diseases they could be vaccinated against like shingles, whooping cough, hepatitis A and B, flu, and pneumococcal disease. Some even die.

Talk with your healthcare professional about which vaccines are recommended to protect you and your loved ones.

Learn more at cdc.gov/vaccines/adults or call 1-800-CDC-INFO (1-800-232-4636).
