

**“Better Safe” : 30 second PSA**

WIFE: (INTENSE COUGHING)

HUSBAND: Here you go...hot tea with honey

WIFE: (SOUNDING SICKLY) Thanks, sweetie.

HUSBAND: I'm sorry you're still sick. My wife's got pneumonia, and my dad had shingles. Who knew vaccines could prevent these serious diseases? Not me, until my doctor told me.

FEMALE VO: Vaccines can help protect you against a number of serious diseases. So don't wait, vaccinate! To learn more talk to your healthcare professional, go to [cdc.gov/vaccines](http://cdc.gov/vaccines) or call 1-800-CDC-INFO.
