SFX: (TYPING ON COMPUTER KEYBOARD)

MAN: Let’s see...age

SFX: (TYPING ON COMPUTER KEYBOARD)

MAN, James: sex, male

SFX: (TYPING ON COMPUTER KEYBOARD)

*MAN: (READING OFF MONITOR) hmmm, diseases you’re at risk for...flu, whooping cough, pnuemo? (HAS TROUBLE PRONOUNCING IT)...pneumococcal disease?!

*FEMALE VO: Vaccines can protect you from serious diseases adults can be at risk for. And the older you get the more serious they could be.

*MAN: (READING) shingles?!

FEMALE VO: Take the quiz at cdc.gov/vaccines to learn more or call 1-800-CDC-INFO. Then talk with your healthcare professional. Don’t wait, vaccinate!
