START HERE

Please review your records and complete this questionnaire for the child identified on the label below.
Complete pages 1 and 3 only. Return the questionnaire in the postage-paid envelope or fax toll-free to (866) 324-8659. This information is confidential; if faxing, please take extra care to dial the correct number.

1. Which of the following best describes your immunization records for this child?
   - You have all or partial immunization records for this child for vaccines given by your practice or other practices.
   - You have provided care to this child, but do not have immunization records.
   - You have no record of providing care to this child.

Was any of the immunization information for this child obtained from your community or state registry?
   - Yes
   - No
   - Don't Know

Go to question 2 below.

This facility gives immunizations only at birth (hospital).
Go to question 2 below.

Other-Explain

2. According to your records, what is this child’s date of birth?
   - Month
   - Day
   - Year
   - Don't know

3. What was the date of this child’s first visit, for any reason, to this place of practice?
   - Month
   - Day
   - Year
   - Don't know

4. What was the date of this child’s most recent visit, for any reason, to this place of practice?
   - Month
   - Day
   - Year
   - Don't know

5a. Is your practice a Federally Qualified Health Center (FQHC) or Rural Health Clinic (RHC), or a “look alike” FQHC or RHC? Please see Page 4 for definitions.
   - Yes (Go to 5c)
   - No
   - Don’t know

5b. Has your practice been deputized (sometimes known as delegated authority) to administer Vaccines for Children (VFC) vaccines to underinsured children? Please see Page 4 for definition of a deputized or delegated authority.
   - Yes
   - No
   - Don’t know

6. Does your practice order vaccines from your state or local health department to administer to children?
   - Yes
   - No
   - Don’t know
   - Not applicable (Practice does not administer vaccines)

7. Did you or your facility report any of this child’s immunizations to your community or state registry?
   - Yes
   - No
   - Don’t know
   - Not applicable (No registry in my community/state)
   - Not applicable (Practice does not administer vaccines)

8. Contact information for the person returning this form.
   - Name:
   - Physician
   - Nurse
   - Office Manager/Receptionist
   - Medical Records Administrator/Technician
   - Phone: ( ) ext.
   - Fax: ( ) ext.

9. Go to next page
Please review the instructions and examples below. Then complete the “Shot Grid” on the next page.

Refer to your vaccination records for the child named on the labels on the front cover and next page of this form.

- Be sure to mark the box for the correct combination vaccine for each dose as shown in the example below. If the combination included both DTaP and Hib, or HepB and Hib, be sure to enter the information in both vaccine categories. Note that the same vaccine (a combination DTaP-Hib vaccine) is entered under both DTaP and Hib in the example below.

<table>

<td>11 20 2010</td>
<td>Yes</td>
<td>DTaP/DTP, DTaP-Hib, DTaP-HepB-IPVa</td>
</tr>
<tr>
<td>2</td>
<td>11 18 2011</td>
<td>Yes</td>
<td>DTaP/Hib, DTaP-HepB-IPVa, DTaP-IPV-Hib</td>
</tr>
</tbody>
</table>

- Be sure to mark the “Yes” or “No” box under “Given by other practice?” for each vaccination (see example above).

- Be sure to mark the “Yes” or “No” box indicating “Given at birth?” for the first Hep B dose (see example below).

- Use the “Other” space to enter any vaccines not listed on the next page or any additional doses of listed vaccines that were given to this child (see example below).

- After completing the “Shot Grid” on the next page, please return this form in the envelope provided.

(Optional) You may also attach a copy of your immunization history records for this child to this form and send it back to NORC at the University of Chicago, National Immunization Survey, 55 East Monroe Street, 19th Floor, Chicago IL 60603. If you choose this option, please answer all questions on page 1.

Or you may fax the confidential information to (866) 324-8659. If faxing this form, cut along fold to separate pages, then fax pages 1 and 3. Do not fax this page.

Thank you for your help with this important study!

If you would like more information about the National Center for Immunization and Respiratory Diseases, including information about vaccine recommendations, or data and statistics from previous years of the National Immunization Survey, please visit the CDC Vaccines & Immunization website at www.cdc.gov/vaccines.

If you would like more information about the National Immunization Survey, please visit the National Immunization Survey website at http://www.cdc.gov/vaccines/NIS. If you have any questions or comments about this study, please call (800) 817-4316 or email nis@cdc.gov.

Note: Do NOT send any confidential patient information, such as patient’s name or date of birth, in an email message.

Definitions:

Federally Qualified Health Center (FQHC): A Federally Qualified Health Center as defined under section 1905(l)(2) of the Social Security Act. FQHCs receive grants under Section 330 of the Public Health Service Act. (B) The term “Federally-qualified health center” means an entity which: (i) is receiving a grant under section 330 of the Public Health Service Act[282], (ii)(I) is receiving funding from such a grant under a contract with the recipient of such a grant, and (II) meets the requirements to receive a grant under section 330 of such Act.

Rural Health Clinic (RHC): A Rural Health Clinic as defined under section 1905(l)(1) of the Social Security Act. A Rural Health Clinic (RHC) is a clinic certified to receive special Medicare and Medicaid reimbursement.

FQHC Look-Alike: An organization that meets all of the eligibility requirements of an organization that receives a PHS Section 330 grant, but does not receive grant funding.

Deputization: The formal extension of VFC authority to provide VFC vaccines to eligible underinsured children from a participating FQHC or RHC to another VFC-enrolled provider. Under this arrangement, the deputizing FQHC or RHC retains its full scope of authority as a VFC provider while extending the authority to deputized VFC providers to immunize underinsured children with VFC vaccine.
