CDSi Resources Self-Assessment

Clinical Decision Support for Immunization (CDSi) resources provide a single, authoritative, implementation-neutral foundation for development and maintenance of Clinical Decision Support (CDS) engines.

Are you new to the CDSi resources or do you consider yourself an expert? Take this short quiz to check your knowledge about the resources. Based on your answers you will be directed to our recommended training materials.

CDSi resources translate clinical recommendations into technical information

ACIP Recommendations → Logic Specification / Supporting Data / Test Cases → Updated CDS Engines IIS – EHR – HIE
