It could be someone you KNOW.TEACH.LOVE.

Students reported they...

- Seriously Considered Attempting Suicide: 15% of heterosexual students, 43% of LGB students
- Attempted Suicide: 6% of heterosexual students, 29% of LGB students
- Attempted Suicide and Received Treatment by a Doctor or Nurse: 2% of heterosexual students, 9% of LGB students

Prevention is possible!
Be the change in your community.

- Enhance safety for all students.
- Implement and enforce a school-wide anti-bullying policy.
- Encourage help-seeking behaviors.
- Ensure school staff care about who students are and what they learn.
- Improve supervision of students.
- Use school rules and classroom behavior monitoring.
- Engage parents and caregivers.

SAFE AND SUPPORTIVE relationships and environments improve EDUCATION, SAFETY AND HEALTH— for every student.
