or at such time as I exercise my right to revoke this authorization in writing, whichever happens earlier. I may revoke this authorization in writing at any time by sending written notification to the address listed above. Use or disclosure of my protected health information by the WTC Health Program made prior to the Program's receipt of my written request to revoke this authorization will be governed by this authorization to the extent that the Program has taken any action in reliance on this authorization already.

Signing this authorization is voluntary. The WTC Health Program may not condition treatment, payment, enrollment, or eligibility for benefits on my signing this authorization. The information governed by this authorization may be subject to further disclosure by the authorized recipient(s); such additional disclosures by third parties are not subject to, nor protected by, this authorization. The WTC Health Program will give me a copy of this signed authorization, upon request. (Requests may be made in writing to the above address.)

Public reporting burden of this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0891).

¹ If the signatory is not the applicant or member, please include documentation demonstrating the signatory's legal authority to act on behalf of the applicant/member for HIPAA-authorized purposes.

² The expiration of the WTC Health Program is defined as when the Program is no longer funded and is unable to provide services under Title XXXIII of the Public Health Service Act, currently 2090.
