

World Trade Center Health Program Program at a Glance

As of December 31st, 2017

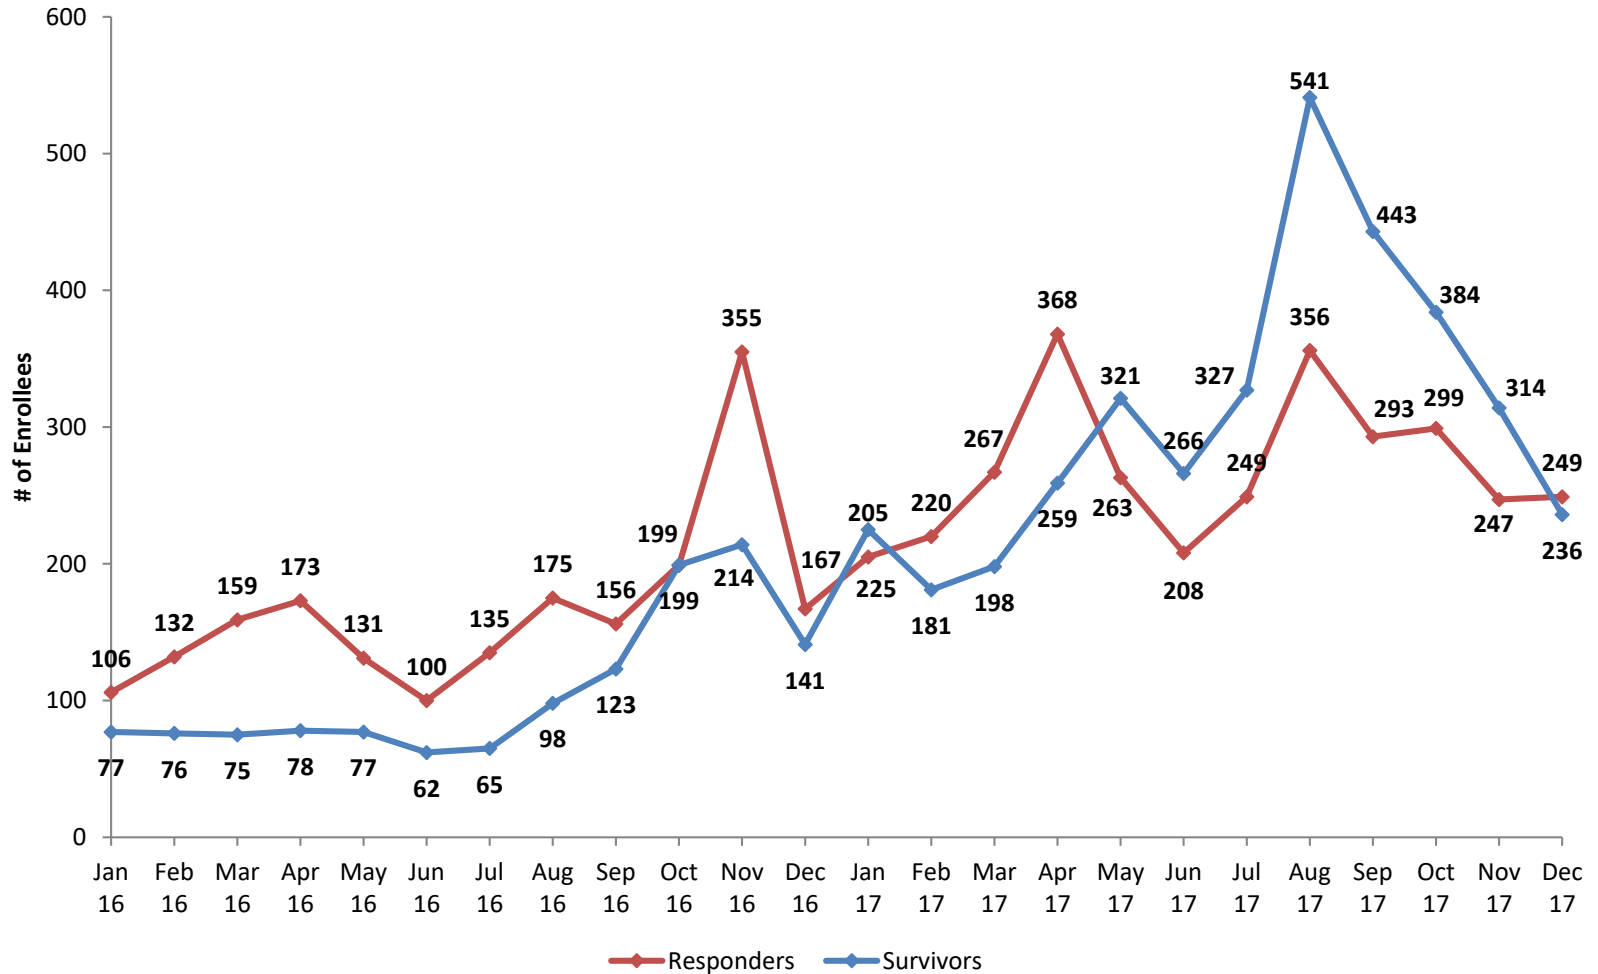

Below you will find general program information related to members enrolled and members certified for treatment of health conditions in the WTC Health Program.

Overall Enrollment: Responder and Survivor

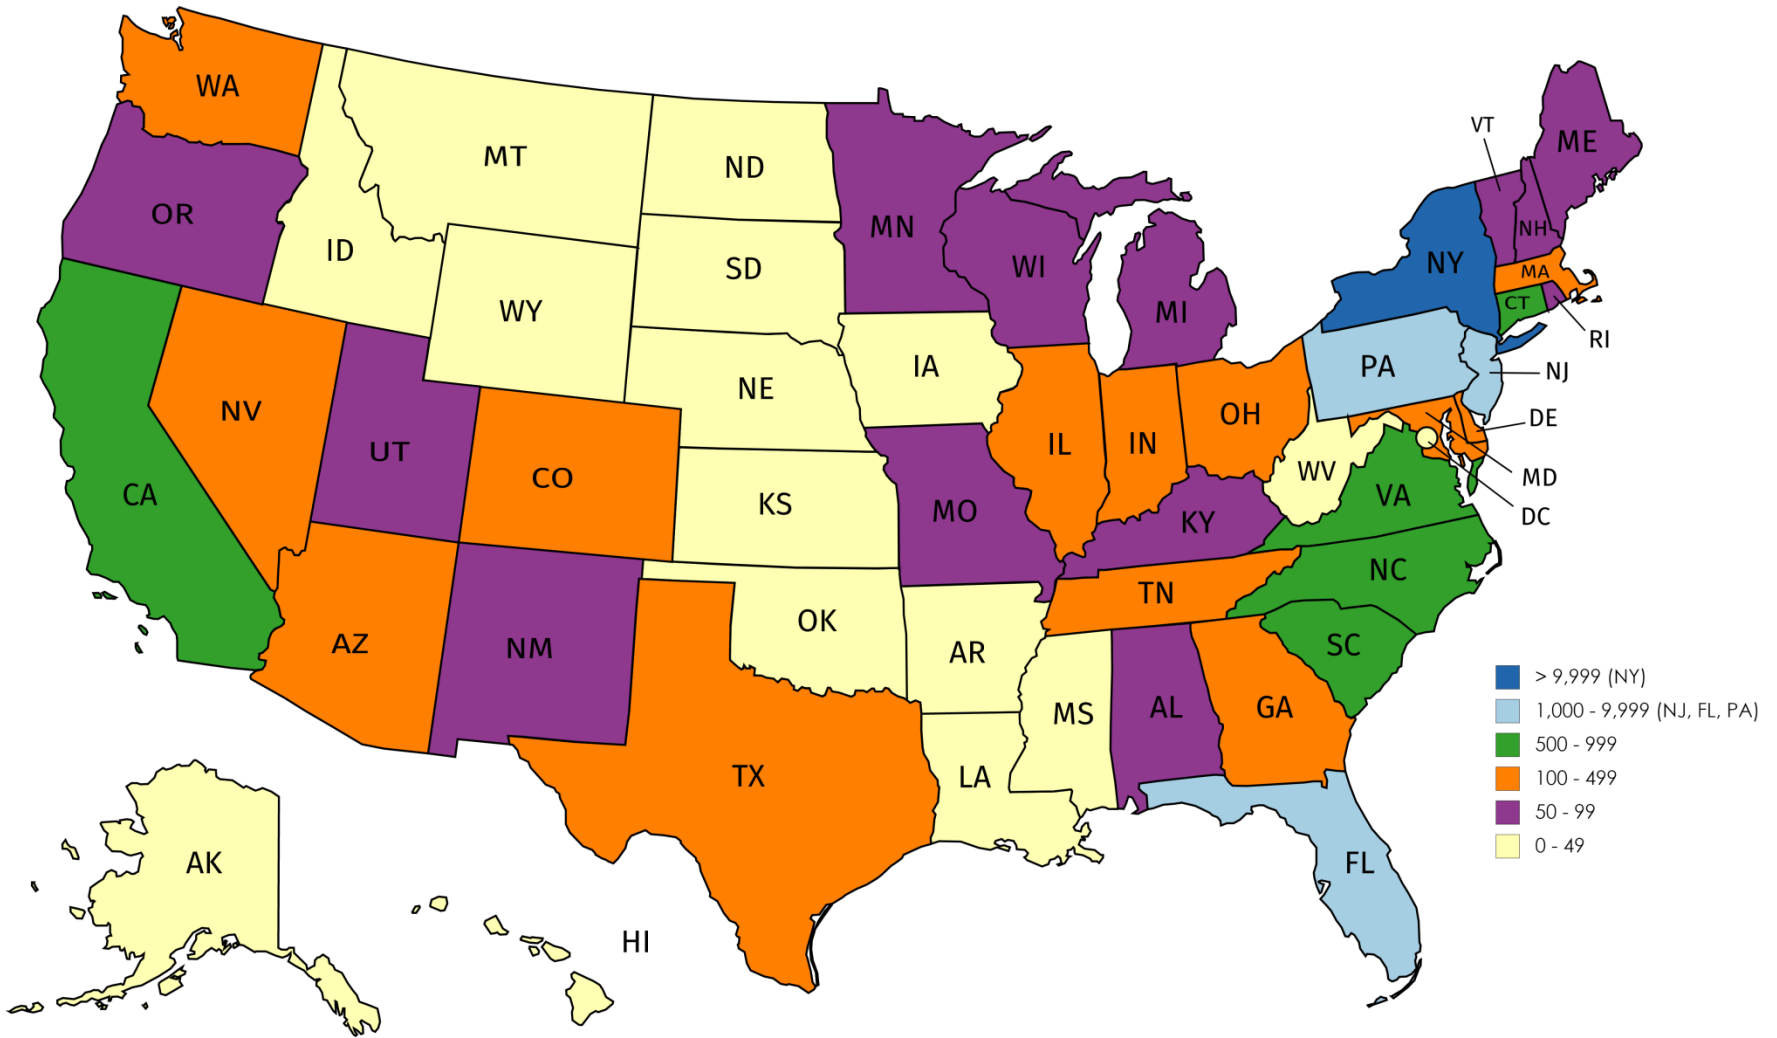

Note: The Program started on July 1, 2011, and at that time, 56,204 Responders were “grandfathered” from previous Federal activities. On September 29, 2011, 4,762 Survivors were likewise “grandfathered”. The chart above depicts enrollment from the beginning of the Program, starting with “grandfathered” members and the cumulative addition of new members each quarter. The date labels correspond to the end of the quarter (i.e., December 2016 represents cumulative members through December 31, 2016).
