

Hip-Hop Scotch

Hey, I'm Andrea and we play in Meca Park in Houston, Texas. We've got lots of VERBS here. Some games we even make up. Here's one we call "Hip-Hop Scotch". It's old school meets new school. You draw boxes. BUT instead of numbers, you write in dance moves. Like Spin...Bounce...Step or Shake. You throw YOUR ROCK. Whatever dance it lands on, that's YOUR thing! If it lands on the question mark, do anything! That's "Hip-Hop Scotch" in Houston.

Every day is game day, so get out there and go play.
